

## **The Rhode Island Driving Club**

Dear Members and Friends of the Rhode Island Driving Club,

Plans are under way for our annual "Rhode Island Carriage Days" to be held on August 29 & 30, 2009. We need your help. We are asking you to get involved by volunteering, sponsoring classes, placing an ad and/or competing.

The Rhode Island Driving Club, Inc. (RIDC), was established in 1987 by a small group of carriage driving enthusiasts in Foster, Rhode Island. The club has grown since those days of only a dozen members to include members from all over New England, but the RIDC's mission remains the same, to foster and encourage good relations between all horse related organizations, to promote and co-ordinate driving shows and other activities, to formulate publicity and educational programs and other activities in the interest of driving enthusiasts and to promote, encourage and stimulate popular interest in driving and driving horses of any breed.

As you are probably aware, these competitions are very costly to produce. Things such as ribbons, trophies, officials, postage, printing and all the little things that make the day pleasant add up to a large sum of money.

In order to keep the entry fees at a reasonable rate, your financial help is needed. Below, please find several options for you to consider when donating.
